Dear Mark,

On behalf of the American Israel Education Foundation (AIEF), we would like to invite you to participate in an educational seminar in Israel for Senate and House Chiefs of Staff, May 25 – June 2, 2019. The trip will depart Saturday afternoon, May 25; and return to the U.S. on Sunday morning, June 2.

This seminar will delve into some of the most difficult issues facing Israel and the region. Israeli leaders from across the political spectrum, along with Palestinian leaders, will explore the peace negotiations and the obstacles to peace, the myriad of security threats facing the region, and the strategic relationship between the United States and Israel.

Participants will hear a wide array of viewpoints, including discussions with: members of the Israeli Knesset and the Palestinian Authority; U.S. government officials; military leaders; heads of non-governmental organizations; and prominent academics and journalists. The program will also include visits to historic and religious sites in Jerusalem and the Galilee.

All trip-related expenses will be paid for by AIEF, and all aspects of the trip will be in full conformity with Senate Ethics rules. AIEF will provide additional information to assure your compliance with ethics rules.

We hope you will be able to join us on what promises to be a rich, insightful and educational trip. To confirm your participation, please complete the confirmation form, and return to [sallen@aiefdn.org](mailto:sallen@aiefdn.org). If you have any questions, please contact Rob Bassin at (202) 639-5279 or [rbassin@aipac.org](mailto:rbassin@aipac.org).

Sincerely,

Richard Fishman  
Executive Director, AIEF

**Addendum**

**2. Description of the Trip**

This seminar, which will be on the ground in Israel for seven days, is specifically designed to explore foreign policy and defense issues related to the U.S.-Israel relationship. Some of the key issues to be addressed include: Iran's continued malign regional activities; the impact of Syrian civil war along Israel's northern border; the internal political situations of both Israel and the Palestinian Authority, the status of the peace process; and the expanded cooperation between the U.S. and Israel in fighting terrorism and proliferation.

The seminar will consist of discussions with Israeli government officials, military officers, Members of the Knesset, Palestinian representatives and U.S. officials, as well as site surveys of the northern border with Lebanon and Syria, the southern border with the Gaza Strip, and the security fence. The seminar also aims to provide the political, historic, and religious context to the current conflicts and issues facing Israel and the region. It will explore the connection the three monotheistic religions have with the land and the influence this connection has on today's struggles. In addition to formal meetings and briefings, the trip provides experiential opportunities to help better understand the geographical complications, the security implications, and the historic root causes of the current conflicts.

**14. Sponsoring Congressional Trips**

Founded in 1990, the American Israel Education Foundation (AIEF) funds Israel Seminars for members of Congress, Capitol Hill staffers, students, political consultants, as well as Christian, Latino, African American, Progressive, and Veteran leaders. These trips to Israel are among the most critical programs AIEF supports on behalf of the U.S.-Israel relationship. These educational seminars allow policy makers to understand the complex historical, religious and geographic context of the Arab-Israeli conflict. Participants meet with Israeli government officials, military officers, members of the Knesset, U.S. government officials, Palestinian Authority officials and leading academics and journalists. For many of the participants, who make important decisions impacting Israel and the Middle East, these trips are their first, and sometimes, only exposure to the country. The most recent Senate trip was for Senator Tina Smith in March, 2019.

**15. Other Educational Activities**

The United States has been closely involved in negotiations between Israel and the Palestinians. Dr. Tal Becker is a senior member of the Israeli peace negotiation team. In this position, he is on the front lines of many of Israel's most pressing diplomatic, legal and policy challenges. He is a veteran negotiator, and key behind the scenes representative, for Israel in a wide variety of contexts. **Post-1967 Neighborhoods and the Security Barrier**

When Jerusalem was reunified in 1967, following 19 years of division, the State of Israel extended the city's boundaries to include the strategic hills surrounding Jerusalem. These hills served as launching pads between 1948 and 1967 for sniper and mortar attacks on Israeli parts of the city by the Jordanian Army. Since 1967, these hills have become vibrant neighborhoods, fully integrated into the fabric of Jerusalem. It is vital for those discussing the issue of Jerusalem to understand these neighborhoods' strategic importance and their relationship to the areas in the immediate vicinity.

point as to how Israelis interpret the threat of an Iranian nuclear program and Iranian leaders committed to Israel's destruction.

Yad Vashem, the Holocaust Martyrs' and Heroes' Remembrance Authority, was established in 1953 by an act of the Israeli Knesset. Since its inception, Yad Vashem has been entrusted with documenting the history of the Jewish people during the Holocaust period, preserving the memory and story of each of the six million victims, and imparting the legacy of the Holocaust for generations to come through its archives, library, school, museums and recognition of the Righteous Among the Nations. Located on Har Hazikaron (the Mount of Remembrance) in Jerusalem, Yad Vashem is a sprawling complex of museums, exhibits, archives, monuments, sculptures, and memorials.

Every foreign leader that travels to Israel visits Yad Vashem. Yad Vashem has become a symbol of the Jewish people and its transformation from total helplessness to self-reliance and strength. Thus, a visit to Yad Vashem provides a historical context for the Jewish state. The museum's professional docent will guide the group through the main exhibit hall and the children's memorial.

Overlook into Gaza and Visit to Peace Wall  
-at Netiv Ha'asara

## **Israel's Southern Front**

Since 2001, Israeli communities bordering the Gaza Strip have been living under the threat of rocket fire. Since the Israeli withdrawal from the Gaza Strip in 2005 and the Hamas takeover of the Gaza Strip in 2007, the volume, range and accuracy of the rockets has only increased. The summer of 2014 witnessed Operation Protective Edge, which returned the issue of rocket fire from Gaza to international headlines. At Kibbutz Nir Am, participants will be able to see the border between Israel and the Gaza Strip, to better comprehend the landscape of the region, as well as the unique challenges faced by this area. The visit to Kibbutz Kfar Azza and meeting

### **Regional Strategic Threats**

Gen. (Ret.) Amos Gilead is the Executive Director of the Institute for Policy and Strategy (IPS) and Chair of the Annual Herzliya Conference Series at the Lauder School of Government, Diplomacy & Strategy, Interdisciplinary Center (IDC) Herzliya. Gilead is the immediate past director of the Political-Military Affairs Bureau at Israel's Ministry of Defense. Gen. Gilead served for over 30 years in uniform. He was Coordinator of Government Operations in the Territories, headed the Military Intelligence Research Division, and was responsible for the overall National Intelligence Assessment. He also served as Military Secretary to the Prime Minister and Minister of Defense. Gen. Gilead has been one of the key figures in defining Israel's defense policy. During this session, he will provide participants with an overview of Regional Strategic Threats, including the threat of Iranian proxies near Israel.

9:30 AM Depart

10:30-11:15 AM *Israel's Narrow Waistline – Strategic Concerns*  
Briefing at Alfei Menashe

Alfei Menashe is a Jewish community located on the western edge of the West Bank. Less than 10 miles from the Mediterranean Sea, Alfei Menashe provides a unique vantage point to discuss Israeli settlement policy, the routing of the security barrier, as well as Israel's narrow waistline.

The discussion at Alfei Menashe will allow participants to see firsthand the proximity of Jewish and Arab neighborhoods in both Israel and the West Bank; as well as the strategic threats faced by the Israeli population living in Israel's narrow waistline.

- Oded Revivi, Mayor of Efrat
- Yariv Oppenheimer, Former Head of Peace Now -at Community Center, Alfei Menashe

Israeli settlement policy is one of the more complex issues in the ongoing negotiations between Israelis and Palestinians. Mayor Revivi is the Mayor of a settlement in the West Bank; Yariv Oppenheimer is the former head of Peace now. This session provides an opportunity for members to get an insider's perspective on Israeli settlement policy, the differing views among Israeli citizens, and the role settlements play in the current political climate.

1:15-2:15 PM      *Regional Strategic Briefing: Syria and Iraq*  
-at Tanduka

As the delegation leaves the Gaza border, and heads north to the borders with Lebanon and Syria, it is critical to understand the threats faced by Israel from these three areas, all Iranian proxies. The briefing will cover the unique situation at each border, as well as the malign activity from Iran contributing to unrest in the region.

En route briefings:

- *The Jezreel Valley – The Strategic Land Bridge connecting Asia and Africa*
- *Upper Galilee – Potential for Development*

### **The Jezreel Valley**

Our tour guide will spend an hour during the drive from Israel's center to the north to provide the delegation a briefing on the Jezreel Valley and the Upper Galilee and the challenges facing these regions of the country.

For thousands of years, the Jezreel Valley served as a land bridge linking Africa, Asia and Europe, and serving as a thoroughfare for ancient caravans and, more frequently, armies. In modern times, during World War I, for example, the British and Turkish forces fought a number of pitched battles in the valley. In 1948, following Israel's establishment, the combined forces of Iraq and Jordan attempted unsuccessfully to capture the valley in order to split the just-born Israel into two parts. In the early 20th century, after decades of neglect, Jewish pioneers drained the swamps in the valley, transforming this region into Israel's "breadbasket" known for wheat, cotton, sunflowers and fish ponds. The Jezreel Valley is also home to historical and biblical sites including Tel Megiddo and Nazareth.

Today it is an important symbol of Israel's complex and diverse political reality. The Jezreel Valley, together with the areas of the Lower and Upper Galilee, is home to the majority of Israel's Arab citizens. A survey of this area provides an opportunity to discuss and learn about Israel's Arab citizens – 20 percent of the population – each of which has full democratic, social and welfare rights, the right to vote and serve in the Knesset, and the opportunity to serve on Israel's Supreme Court. These issues are not widely known and this segment gives trip participants the opportunity to understand Israel's relationship with its largest minority group.

### **Upper Galilee**

The Upper Galilee is home to the largest variety of ethnic communities in Israel including Druze, Circassian, Arab Muslim and Arab Christian villages. The Galilee is also home to ancient Jewish and Christian holy sites that provide additional historical and political context to regional tensions. Just as in the case of the Jezreel Valley, the area illustrates the role of minorities in Israel.

At the same time, the Upper Galilee is home to some of the most prominent industrial hubs. Best known among them is the Tefen Industrial area, home to numerous enterprises established by the region's residents – Jewish and Arab. In 2006, Upper Galilee's ISCAR Metal Working Company was purchased for \$5 billion by Warren Buffet's conglomerate holding company. Since then, a number of American investors have become partners in some of the region's hi-tech and bio-tech companies.

While time does not permit for sites visits, a drive through the region allows for expanding on the importance of the area in the context of the U.S.–Israel relationship.

3:30-4:30 PM      *Israel's Northern Border Concerns: Lebanon and Hizballah*  
Briefing with Maj. (res) Sarit Zehavi  
-at Mt. Adir

Lt. Col. (Res.) Sarit Zehavi served 15 years in the IDF in Military Intelligence –first in the Research and Analysis Branch, and later in the Northern Command. During her military service she briefed hundreds of delegations, ranging from U.S. Senators, Congressmen and politicians to global military commanders, senior journalists and visiting VIP delegations. She is the founder/director of Alma, an educational research center focusing on the security issues of Israel's northern border. Zehavi has authored many position papers focusing on Lebanon, Syria and Israel's national security challenges, and continues to brief delegations on these topics. She holds an MA in Middle East Studies from Ben Gurion University and is a resident of the northern Galilee region. She will brief the group on the current threats facing Israel by Iranian backed Hizballah in Lebanon.

## Reflections on the Week

10:00 PM                      Overnight at the Europa Hotel

8:00 AM	Breakfast at the Hotel
8:30 AM	Depart
9:00-11:00 AM	<i>Historical Significance of the Sea of Galilee</i> Survey of historical and religious sites around the Sea of Galilee <ul style="list-style-type: none"><li>▪ Mt. of Beatitudes – Sermon on the Mount</li><li>▪ St. Peter's Church</li><li>▪ Capernaum – Jesus' Village</li></ul>

As part of the seminar's focus on the complex religious fabric of Israeli society, the group will be visiting several of the most sacred sites for Christians in the Holy Land. Included is a guided survey and discussion of some of the most important events in the life of Jesus by the Sea of

Galilee. Just as strategic surveys in Jerusalem focused on Jewish, Muslim, and Christian history and claims to the land, the site visits to the Christian sites help provide context for the competing religious narratives for the land of Israel. For example, we will be visiting the Mount of Beatitudes, where Jesus delivered the Sermon on the Mount, the most studied and read speech of any religion in history. Our guide will also lead discussions through Capernaum and St. Peter's Church.

11:00 AM Depart for the Golan Heights

12:00-1:00 PM *Israel's Northern Border Concerns: Syria*  
Strategic survey of Israel's border with Syria  
With Maj. Ilan Shulman  
- at Ein Zivan

### **Israel's Northern Border Concerns: Syria**

Captain (Res.) Ilan Shulman, a disabled IDF veteran, divides his time guiding geopolitical tours on the Galilee and Golan Heights, lecturing to students, giving geo-political briefings for delegations through various Israeli foreign ministry programs, and fulfilling his IDF reserve duties in the Northern Command's intelligence unit. Shulman was raised in Kibbutz Merom Golan near Israel's border with Syria, where one of his favorite jobs was herding the kibbutz cattle. Shulman served in the IDF's paratrooper's unit, rising to the position of company commander. He holds a BA in Israel and Middle East Studies. During this session he will take participants to the border between Israel and Syria and provide an overview of the Syrian civil war.

1:15-2:15 PM *Ethics in the IDF*  
Lunch with IDF Soldiers  
-at HaBokrim

### **Ethics in the IDF**

Ruach Tzahal (Literally, 'Spirit of the IDF') represents the values of the Israel Defense Forces and stands as the foundation for the responsibilities of Israel's army. This overarching ethical code, and the guidelines and operation resulting from it, shape the mode of action applied by all IDF soldiers and units, both in peace and at war. During basic training, every IDF soldier studies and analyzes the code of ethics together with their commanders. It is customary for a framed copy of the code to be hung in every commander's office as a constant reminder of the IDF's values and guidelines. During lunch, participants will be joined by soldiers in the Northern Command, who will discuss the challenges of serving in a region overtaken by the Syrian civil war.

2:30-3:30 PM Travel back to Jerusalem via the Jordan Valley  
En route briefing:  
*Jordan: Relations with Israel, and the Growing Refugee Crisis*

### **Jordan: Relations with Israel, and the Growing Refugee Crisis**

The tour guide will spend approximately an hour during the drive through the Jordan Valley to explore several topics related to Israel's eastern neighbor: specifically, Israeli-Jordanian strategic cooperation, as well as the implications of the Syrian civil war on the Kingdom.

The Hashemite Kingdom of Jordan became the second Arab country after Egypt to recognize Israel when it signed a comprehensive peace agreement that ended nearly five decades of warfare. Shepherded by United States President Bill Clinton, the accord signed on Oct. 6, 1994, marked the onset of a new era of economic, cultural, and political dialogue and cooperation between the two countries.

In recent years, the two countries have worked together to combat the increased threat from terrorism by coordinating their security efforts and preventing infiltrations across their shared border. Today, Jordan hosts over 1.4 million Syrian refugees fleeing civil war. Following our discussion with Israeli soldiers patrolling the Syrian border, our guide will address how the influx of Syrian refugees and the threats in the region impact Jordan internally; as well as relations and further potential for strategic partnership between Jordan, the United States, and Israel.

### **Reflections on the Sabbath in Jerusalem**

Israel, the only Jewish country in the world, boasts the unique tradition of honoring the Jewish Sabbath from Friday sundown until Saturday sundown. 80 percent of the Israeli population will commemorate the Sabbath, in various forms, which typically include a family dinner and special blessings. The Sabbath is especially significant in Jerusalem, home to the holiest site for Jews worldwide - the remains of the First and Second Temple.

The dinner will include a discussion on the importance of Jerusalem to the Jewish, Christian and Muslim populations; the potential for a final status agreement on Jerusalem (arguably the most sensitive final status issue); and the diplomatic challenges faced by Israel and the United States regarding Israeli urban development in the area.

8:30-10:00 AM Depart  
En route briefing:  
*Jericho Road and the E-1 Corridor*

### **Jericho Road and the E-1 Corridor**

On the drive from Jerusalem to Masada, the group will travel on the highway known as the “Jericho Road” is the strategic importance of the area east of Jerusalem. In 1948 and in 1967, the Jordanian army attacked Jerusalem from the east – the 1948 attack resulted in the city’s division that lasted until 1967. Since then Israel has established the City of Ma’ale Adumim east of Jerusalem, today home to some 40,000 residents. To the Palestinians, however, Ma’ale Adumim is the largest settlement on the West Bank. When Israel attempted to expand Ma’ale Adumim’s boundary, into an area known as “E-1”, the U.S. State Department stepped in and asked that no construction take place there. The issue needs to be examined with those discussing the future of Jerusalem in the context of the Israeli-Palestinian negotiations.

10:00 AM-12:00 PM *History and Geopolitics of the Roman Empire*  
Guided survey of the National Archeological Park at Masada

### **Masada**

The Sabbath in Israel begins Friday afternoon and concludes on Saturday evening. During the Sabbath, virtually everything in the country is closed including all government offices, businesses, newspapers etc. Therefore, for years, we have used Saturdays to expose our congressional members and staff delegations to some of the key historical and cultural sites in Israel such as Masada. Masada, which was excavated in the 1960s, is considered one of the most important archeological sites in Israel, indeed in the whole world.

Masada was the site of the last stand of the Jews in Israel after the Romans destroyed Jerusalem and the Holy Temple in 70 A.D. A group of Jewish zealots fled to the Judean Desert and lived in the former mountaintop fortress of King Herod known as Masada for two years resisting the onslaught of the most powerful army in the world. Determined to break the resistance, the Romans finally scaled the mountain to capture and enslave the Jewish rebels. However, when they finally arrived, they found that all the men, women and children had killed themselves as a last act of defiance. They refused to give in to the Romans and become their slaves.

The ancient story of Masada has important contemporary relevance for the modern State of Israel. “Masada shall never fall again” has become the watchword of the country which has faced existential threats since its founding in 1948. Israel’s elite military units, for example, are sworn in on top of Masada in a symbolic act of defiance against Israel’s contemporary enemies. These soldiers along with the thousands of Israeli school children who visit Masada each year learn the lesson that Israel should never become so weak again that it would ever face national suicide as an option.

During our trip to the Negev, we will also visit the Dead Sea, the lowest place on earth and a major source of minerals for both Israel and Jordan.

## Dead Sea Region

It is important to note that the region is mostly desert. For decades, Israel has been challenging this arid area and developing its agricultural potential. While the Middle East is suffering from water shortages, Israel, through modern technology and water conservation policies, including the recycling of over 80 percent of water used for domestic purposes and transferring it to agriculture, has literally “made the desert bloom.” Some of this technology is already being shared with Jordan and the Palestinian Authority. All sides realize that a comprehensive regional water policy will ensure food production necessary to satisfy the Middle East’s growing population. For example, in late 2013, the three parties agreed to build a Red Sea-Dead Sea water project to address the shortage of fresh, clean water in the region and the rapid loss of water at the Dead Sea. This highlights the growing importance for Israel and her Arab neighbors to work together on joint environmental projects.

We will process the range of topics explored, including the U.S.-Israel strategic partnership, prospects for Arab-Israeli peace, the experience of minorities in Israel, as well as greater existential threats throughout the region. Participants will also have the opportunity to share their takeaways, and ask any lingering questions that weren't covered during the week.
